Aspirations on the autism spectrum

Summer holiday activities*

16 July-6 September 2018

For anyone 16 + with autism spectrum conditions, such as Aspergers Syndrome and high functioning autism.

Join us for a day, a week, or the whole summer,

in a supportive environment and:

- learn something new
- go somewhere different
- meet other people
- practice work skills, and
- develop self confidence

Suitable for people who already use our services and anyone just looking for holiday activities.

*We will try to stick to this timetable but from time to time we may need to make alterations.

Red2Green

Aspirations is a life skills programme for anyone 16+ with autism spectrum conditions, such as Aspergers Syndrome and high functioning autism.

Our summer programme is held at Harvey's Barn in Swaffham Bulbeck and at our new Community Café in Bottisham. As you can see from the activities below, we will also be out and about across Cambridgeshire and Suffolk. Our community Café gives learners the chance to get involved in preparing and serving refreshments and home-made snacks whilst learning social, educational and business skills which in some cases may form the building blocks for preparing for work experience, volunteering or employment opportunities. Open Tues & Thurs 9am-3pm serving tea & coffee, homemade scones, sausage rolls, cream teas & cakes. **This programme is suitable for people who already use our services but also those just looking for holiday activities.**

Cost for anyone not already funded for all year round provision is £50.40/day. Drinks provided but

please bring a packed lunch for all activities shown in green at the café please bring a packed lunch or £2 to buy lunch
